KDIGO Controversies Conference on Iron Management in Chronic Kidney Disease

**March 27-30, 2014
San Francisco, United States**

--- CONFERENCE AGENDA ---

Global Action. Local Change.

Thursday, March 27

19:00 – 21:00 hrs

- 19:00 hrs **Welcome Reception & Informal Cocktails**
Location: Franciscan Ballroom (Mezzanine Floor)
- 20:00 – 20:30 hrs **Welcome and Introductions**
Presenters: John Davis, KDIGO CEO;
Bertram Kasiske & David Wheeler, KDIGO Co-Chairs
- 20:30 – 21:00 hrs **Conference Overview and Objectives**
Presenters: Drs. Glenn Chertow & Iain Macdougall, Conference Co-Chairs
-

Friday, March 28

09:00 – 18:30 hrs

- 08:00 – 09:00 hrs **Continental Breakfast Available**
Location: Walnut Room (Second Floor)
- Introduction: Meeting Overview**
Location: Empire Room (Second Floor)
- 09:00 – 09:30 hrs **Recap Conference Overview and Objectives**
Presenters: Drs. Glenn Chertow & Iain Macdougall, Conference Co-Chairs
- Plenary Session #1: Iron Overload**
Session Moderators: Drs. Kai-Uwe Eckardt & Dorine Swinkels
Location: Empire Room (Second Floor)
- 09:30 – 10:00 hrs **General Overview of iron metabolism**
Presenter: Tomas Ganz
- 10:00 – 10:30 hrs **Adverse consequences of iron deficiency and the importance of its correction**
Presenter: Stefan Anker

10:30 – 11:00 hrs **Regulation of hepcidin and its role as a diagnostic tool**

Presenter: Dorine Swinkels

11:00 – 11:30 hrs **Iron overload in CKD and effects on various tissues**

Presenter: Kamyar Kalantar-Zadeh

11:30 – 11:45 hrs **Break**

Location: Walnut Room (Second Floor)

Plenary Session #2: Inflammation & Oxidative Stress

Session Moderators: Drs. Peter Stenvinkel & Christoph Wanner

Location: Empire Room (Second Floor)

11:45 – 12:15 hrs **Iron, inflammation and oxidative stress: partners in crime?**

Presenter: Peter Stenvinkel

12:15 – 12:45 hrs **Interplay between iron and inflammatory processes**

Presenter: Peter Bárány

12:45 – 13:15 hrs **Potential role of iron in CVD and diabetes**

Presenter: Nosratola Vaziri

13:15 – 14:15 hrs **Lunch**

Location: Starlight Room (Rooftop)

Plenary Session #3: Iron & infections

Session Moderators: Drs. Gregorio Obrador & Günter Weiss

Location: Empire Room (Second Floor)

14:15 – 14:45 hrs **Effects of iron on the immune system**

Presenter: Gert Mayer

14:45 – 15:15 hrs **Iron and risks of infection: real or theoretical?**

Presenter: Günter Weiss

15:15 – 15:45 hrs **Preferred dosing regimens for IV iron**
Presenter: Wolfgang Winkelmayr

15:45 – 16:00 hrs **Break**
Location: Walnut Room (Second Floor)

Plenary Session #4: Hypersensitivity Reactions

Session Moderators: Drs. Andreas Bircher & Carol Pollock
Location: Empire Room (Second Floor)

16:00 – 16:30 hrs **Mechanisms of drug hypersensitivity**
Presenter: Andreas Bircher

16:30 – 17:00 hrs **Management of iron hypersensitivity**
Presenter: Michael Auerbach

17:00 – 17:30 hrs **Nontransferrin-bound iron, free iron and labile plasma iron in
relation to toxicity: Unraveling the confusion**
Presenter: Ioav Cabantchik

Plenary Session #5: Role of Iron in CKD Anemia Management

Session Moderators: Drs. Glenn Chertow & Iain Macdougall
Location: Empire Room (Second Floor)

17:30 – 18:00 hrs **What is the ideal iron and ESA balance in CKD anemia management?**
Presenter: Glenn Chertow

18:00 – 18:30 hrs **Iron management: new strategies currently under investigation**
Presenter: Iain Macdougall

18:30 hrs **Adjourn (evening on own)**

Global Action. Local Change.

Saturday, March 29
09:00 to 18:00 hrs

08:00 - 09:00 hrs

Continental Breakfast Available

Location: Walnut Room (Second Floor)

09:00 - 09:15 hrs

Brief Opening Remarks

Location: Empire Room (Second Floor)

09:15 – 12:15 hrs

Breakout Session 1

Breakout Group #1: Iron Overload

Discussion Leaders: Kai-Uwe Eckardt and Dorine Swinkels

Location: Empire Room (Second Floor)

Breakout Group #2: Inflammation & Oxidative Stress

Discussion Leaders: Peter Stenvinkel and Christoph Wanner

Location: Tudor Room A (Second Floor)

Breakout Group #3: Iron & Infections

Discussion Leaders: Gregorio Obrador and Günter Weiss

Location: Tudor Room C (Second Floor)

Breakout Group #4: Hypersensitivity Reactions

Discussion Leaders: Andreas Bircher and Carol Pollock

Location: Tudor Room B (Second Floor)

12:15 – 13:15 hrs

Lunch

Location: Starlight Room (Rooftop)

Breakout Group Preliminary Reports and Discussion

Session Moderators: Drs. Glenn Chertow & Iain Macdougall, Conference Co-Chairs

Location: Empire Room (Second Floor)

13:15 – 13:45 hrs

Breakout Group #1: Iron Overload

Discussion Leaders: Kai-Uwe Eckardt and Dorine Swinkels

- 13:45 – 14:15 hrs **Breakout Group #2: Inflammation & Oxidative Stress**
Discussion Leaders: Peter Stenvinkel and Christoph Wanner
- 14:15 – 14:45 hrs **Breakout Group #3: Iron & Infections**
Discussion Leaders: Gregorio Obrador and Günter Weiss
- 14:45 – 15:15 hrs **Breakout Group #4: Hypersensitivity Reactions**
Discussion Leaders: Andreas Bircher and Carol Pollock
- 15:15 – 15:30 hrs **Break**
Location: Walnut Room (Second Floor)
- 15:30 – 18:00 hrs **Breakout Session 2**
Breakout Group #1: Iron Overload
Discussion Leaders: Kai-Uwe Eckardt and Dorine Swinkels
Location: Empire Room (Second Floor)
- Breakout Group #2: Inflammation & Oxidative Stress**
Discussion Leaders: Peter Stenvinkel and Christoph Wanner
Location: Tudor Room A (Second Floor)
- Breakout Group #3: Iron & Infections**
Discussion Leaders: Gregorio Obrador and Günter Weiss
Location: Tudor Room C (Second Floor)
- Breakout Group #4: Hypersensitivity Reactions**
Discussion Leaders: Andreas Bircher and Carol Pollock
Location: Tudor Room B (Second Floor)
- 19:00 hrs **Group Dinner**
Location: E & O Asian Kitchen
(Meet in hotel lobby at 18:45 hrs to walk to restaurant)
-

Global Action. Local Change.

Sunday, March 30
09:00 to 12:00 hrs

08:00 - 09:00 hrs **Continental Breakfast Available**
Location: Walnut Room (Second Floor)

Breakout Group Final Reports and Discussion

Session Moderators: Drs. Glenn Chertow & Iain Macdougall, Conference Co-Chairs
Location: Empire Room (Second Floor)

09:00 – 09:30 hrs **Breakout Group #1: Iron Overload**
Discussion Leaders: Kai-Uwe Eckardt and Dorine Swinkels

09:30 – 10:00 hrs **Breakout Group #2: Inflammation & Oxidative stress**
Discussion Leaders: Peter Stenvinkel and Christoph Wanner

10:00 – 10:30 hrs **Breakout Group #3: Iron & Infections**
Discussion Leaders: Gregorio Obrador and Günter Weiss

10:30 – 11:00 hrs **Breakout Group #4: Hypersensitivity Reactions**
Discussion Leaders: Andreas Bircher and Carol Pollock

11:00 – 12:00 hrs **Conference summation and next steps**
