

Report from the KDIGO Nominating Committee

5 September 2022

As Chair of the 2022 Nominating Committee, I am pleased to provide this Report to the KDIGO Executive Committee for its consideration. Joining me on the Committee are Magdalena Madero and John Gill. The Committee held two conference call meetings and thoroughly discussed the responsibilities of the Committee and the needs of KDIGO.

This year, we had five slots to fill on the Executive Committee. We reviewed many suggestions received from past Nominating Committees, global kidney experts and the Leadership of KDIGO. There were so many suggestions that our work was challenging but we feel the result will benefit KDIGO and its mission for the coming years. Concluding their terms this year are:

Mustafa Arici, Turkey
Tara Chang, US
Fan Fan Hou, China
Jolanta Malyszko, Poland
Laura Sola, Uruguay

We thank these outstanding individuals for their service to KDIGO and assure them that the leadership of the organization will stay in touch with them and offer them many more opportunities to continue working with the organization.

In fulfillment of our responsibility as the Nominating Committee, we recommend the following individuals for election as Members of the KDIGO Executive Committee:

Sunita Bavanandan, Malaysia
Michelle Denburg, US
Michelle O'Shaughnessy, Ireland
Patrick Rossignol, Monaco
Rita Suri, Canada

The Executive Committee will also include individuals recruited by KDIGO Leadership:

Morgan Grams, US, Co-Chair
Paul Stevens, UK, Treasurer
Marcello Tonelli, Canada, Chair of the Methods Committee

All the Nominees have been contacted and have indicated their willingness to serve. Thank you for the opportunity to assist in the growth and development of KDIGO.

Rukshana Shroff
