

Thursday

26 SEPTEMBER, 2024

# ISPD 2024 Congress

26 – 29 September 2024  
Conrad Hotel Dubai, UAE

## Pre-congress courses

### Pre-course 1

08:30 -16:00

Practical: PD-Catheter Insertion

### Pre-course 2

08:30 -16:00

Didactic: Nursing PD Training

### Pre-course 3

08:30 -16:00

Didactic: Fundamentals of PD

## Coffee Break and Outreach

16:30-20:30	Opening Ceremony, Awards and Maher Lecture
16:30-16:45	Welcome Congress President and ISPD President Address
16:45-17:00	Dignitary Address
17:00-17:15	Presentation of ISPD Awards: Bergstrom, Maher, Oreopolus
17:15-17:30	Cultural Interlude
17:30-18:00	Maher Lecture
18:00-18:30	Plenary lecture: 50 Years in PD: Challenges and Successes <b>Edwina Brown</b>
18:30-18:45	Concluding remarks
18:45-20:30	Welcome Reception + ISPD-40th anniversary

End of Day 1

## Pre-congress courses

Pre-course 4

08:30 -15:30

Practical: Nursing PD Training

STREAM 1

STREAM 2

STREAM 3

08:30-09:15 Plenary Karl Nolph Lecture: Role of PD for AKI around the World Mignon McCullough

09:15-10:45	Life Participation in PD <b>A 1</b>	09:15-10:45	Biology of the Peritoneal Membrane <b>A 2</b>	09:15-10:45	Innovations in PD <b>A 3</b>
09:15-09:45	Fitting Prescription to the patient <b>Richard Corbett</b>	09:15-09:45	Genetics and membrane function <b>Rajnish Mehrotra</b>	09:15-09:45	Early detection of peritonitis <b>Cheuk Chun Szeto</b>
09:45-10:00	Oral Abstract Presentation	09:45-10:00	Oral Abstract Presentation	09:45-10:15	In-home dialysate production/regeneration <b>Simon Davies</b>
10:00-10:30	Physical activity and exercise in PD-ISP Position Statement <b>Paul Bennett</b>	10:00-10:30	Therapeutic advances for preservation /longevity of the peritoneal membrane <b>Andreas Vychytil</b>	10:00-10:45	Telehome monitoring in PD (CONNECT trial) <b>Arsh Jain</b>
10:30-10:45	Oral Abstract Presentation	10:30-10:45	Oral Abstract Presentation		
		10:45-11:05	Scientific Lecture <small>In separate room</small>		

11:05-11:15  Coffee Break and Outreach

11:15-12:15	APSN Session <b>A 4</b>	11:15-12:15	DEBATE: PD Should be First Line Therapy for AKI <b>A 5</b>	11:15-12:15	ISN Session <b>A 6</b>
11:15-11:35	Pre-dialysis multidisciplinary care and transition to PD <b>Sydney Tang</b>	11:15-11:35	PRO Position <b>Brett Cullis</b>	11:15-11:35	Global epidemiology – where is PD? <b>David Johnson</b>
11:35-11:55	Nursing support for the new PD patient in first 90 days <b>Rachel Walker</b>	11:35-11:55	CON Position <b>Annie-Clarie Nadeau-Fredette</b>	11:35-11:55	Understanding Regional Home dialysis Utilization: From Policies to Purse-strings <b>Vivekanand Jha</b>
11:55-12:15	Management of poorly functioning PD catheter <b>Bak Leong Goh</b>	11:55-12:15	Rebuttals	11:55-12:15	Facilitating Home Dialysis Utilization: The Role of the PD Facility <b>Lily Mushahar</b>

12:15-13:00 Scientific Meeting In separate room

13:00-14:30 Friday Prayer  Lunch Break

### STREAM 1

### STREAM 2

### STREAM 3

14:30-16:00	PD Modalities	A 7	14:30-16:00	PDI Session	A 8	14:30-16:00	Prolonging Time on PD Therapy	A 9
14:30-15:00	Basis for Incremental PD Prescription <b>Jenny Shen</b>		14:30-15:00	High Impact PD Studies: two years in review and NON-PDI <b>Jeffrey Perl</b>		14:30-15:00	Nomenclature and Standardized definitions of Time on PD therapy <b>Rob Quinn</b>	
15:00-15:15	Oral Abstract Presentation		15:00-15:15	Oral Abstract Presentation		15:00-15:30	International Trends and Determinants of Time on Therapy <b>Mark Lambie</b>	
15:15-15:45	APD use in limited-resource settings <b>Ahad Qayyum</b>		15:15-15:45	The Best of PDI from bench to bedside <b>Yeoungjee Cho</b>		15:30-16:00	Approches to Maximize Time on Therapy <b>Anjali Saxena</b>	
15:45-16:00	Oral Abstract Presentation		15:45-16:00	Oral Abstract Presentation				
			16:00-16:20	<b>Scientific Lecture</b> In separate room				

16:20-16:30  *Coffee Break and Outreach*

16:30-18:00	Diabetes and PD	A 10	16:30-18:00	Non-infectious Issues in PD	A 11	16:30-18:00	Peritonitis	A 12
16:30-17:00	Monitoring and Interpreting Glycemia in PD <b>Matt Rivara</b>		16:30-17:00	Management of hernias and leaks in PD <b>Rümeysa Kazancioglu</b>		16:30-17:00	Variability in Peritonitis rates: PDOPPS <b>Muthana Al-Sahlawi</b>	
17:00-17:15	Oral Abstract Presentation		17:00-17:15	Oral Abstract Presentation		17:00-17:30	Catheter-related infections Prevention and Treatment: Update <b>Sunita Bavanandan</b>	
17:15-17:45	Extending novel therapeutics to PD <b>Steven Holt</b>		17:15-17:45	Pathogenesis and Management of EPS: Recent Advances <b>Ito Yasuhiko</b>		17:30-18:00	Translating evidence into practice: challenges and opportunities <b>Helen Hurst</b>	
17:45-18:00	Oral Abstract Presentation		17:45-18:00	Oral Abstract Presentation				

End of Day 2

STREAM 1

STREAM 2

STREAM 3

08:30-09:15

Plenary Lecture: Empowering PD Nurses to Maximize PD Success

Ana Elizabeth Figueiredo

09:15-10:45	The Heart in PD <b>B1</b>	09:15-10:45	KDIGO Session <b>B2</b>	09:15-10:45	PD Across the Lifespan <b>B3</b>
09:15-09:45	Current and emerging approaches to volume assessment <b>Anwar Siddiqui</b>	09:15-09:45	Incorporating Symptom and QOL assessment in routine PD care <b>Rajnish Mehrotra</b>	09:15-09:45	PD in neonates <b>Hui-Kim Yap</b>
09:45-10:00	Oral Abstract Presentation	09:45-10:00	Oral Abstract Presentation	09:45-10:15	PD in adolescents and transition of care <b>Guillermo Hidalgo</b>
10:00-10:30	Evidence-based metabolic management <b>Angela Wang</b>	10:00-10:30	Managing common symptoms in dialysis patients <b>Magdalena Madero</b>	10:15-10:45	PD in the elderly <b>Edwina Brown</b>
10:30-10:45	Oral Abstract Presentation	10:30-10:45	Oral Abstract Presentation		
		10:45-11:05	Scientific Lecture <small>In separate room</small>		

11:05-11:15

*Coffee, Break and Outreach*

11:15-12:15	IPNA Session <b>B4</b>	11:15-12:15	AFRAN Session <b>B5</b>	11:15-12:15	Debate: PET is Necessary for Effect PD Prescribing <b>B6</b>
11:15-11:35	Improving pediatric PD globally <b>Mignon McCullough</b>	11:15-11:35	Barriers to PD implementation in Limited Resource Settings <b>Rasha Darwish</b>	11:15-11:35	PRO Position <b>Simon Davies</b>
11:35-11:55	PD in children in low resource countries: Challenges and obstacles <b>Pauline Abou-Jaoudeh</b>	11:35-11:55	Establishing PD use in Limited Resource Settings: Senegal Experience <b>Abdou Niang</b>	11:35-11:55	CON Position <b>Joanne Bargman</b>
11:55-12:15	ISPD peritonitis 2024 guidelines in children: What is new? <b>Franz Schaefer</b>	11:55-12:15	Diagnosing and managing peritonitis under limited resources <b>Nicola Wearne</b>	11:55-12:15	Rebuttals

12:15-13:00

Scientific Meeting In separate room

13:00-14:30

*Lunch Break*

### STREAM 1

### STREAM 2

### STREAM 3

14:30 -16:00	<b>Interventions to Increase PD Use</b> <b>B7</b>	14:30 -16:00	<b>Management of Uremia with PD</b> <b>B8</b>	14:30 -16:00	<b>Public Policy Forum 1: Advancing PD Utilization Worldwide</b> <b>B9</b>
14:30-15:00	Urgent start PD <b>Kanjanabuch Talerngsak</b>	14:30-15:00	Spectrum of Uremic Toxins <b>Matt Rivera</b>	14:30-14:50	International Home Dialysis Consortium <b>Vivek Jha</b>
15:00-15:15	Oral Abstract Presentation	15:00-15:15	Peritoneal versus Kidney Removal of Uremic Toxins <b>Pieter Evenpoel</b>	14:50-15:10	Recommendations from EURO-PD <b>Simon Davies</b>
15:15-15:45	Assisted PD <b>Thierry Lobedez</b>	15:15-15:45	PD and Mineral Metabolism Abnormalities <b>Ali Abu-Alfa</b>	15:10-15:25	Growing PD in the Middle East: Challenges <b>Ayman Madani</b>
15:45-16:00	Oral Abstract Presentation	15:45-16:00	Oral Abstract Presentation	15:25-15:40	Growing PD in the Middle East: Opportunities and Solutions <b>Issa Al-Salmi</b>
		16:00-16:20	<b>Scientific Lecture</b> In separate room	15:40-16:00	PD in Iran: Lessons learned <b>Iraj Najafi</b>

### 16:20-16:30 *Coffee Break and Outreach*

16:30-18:00	<b>Obesity and PD</b> <b>B10</b>	16:30-18:00	<b>Catheters</b> <b>B11</b>	16:30-18:00	<b>Public Policy Forum 2: Special Themes in PD</b> <b>B12</b>
16:30-17:00	Managing PD in an obese patient <b>Thyago Moraes</b>	16:30-17:00	Role of PD program in the peri-operative catheter management <b>Sally Punzulan</b>	16:30-16:50	TBA
17:00-17:15	Oral Abstract Presentation	17:00-17:30	Surgical technique and catheter outcomes <b>Martin Wilkie</b>	16:50-17:10	TBA
17:15-17:45	Managing obesity in a PD patient <b>Nikhil Shah</b>	17:30-18:00	Abdominal procedures/adhesions and catheter outcomes <b>Matt Oliver</b>	17:10-17:30	TBA
17:45-18:00	Oral Abstract Presentation			17:30-18:00	Panel Discussion

## End of Day 3

STREAM 1

STREAM 2

STREAM 3

08:30-09:15

## Plenary Lecture 4 (TBA)

09:15-10:45	<b>Advances in Peritoneal Biology</b> C 1	09:15-10:45	<b>PD Solutions Today</b> C 2	09:15-10:45	<b>Nutritional Management in PD</b> C 3
09:15-09:45	TBA	09:15-09:45	Lessons from 2 decades of Icodextrin use <b>Adrian Liew</b>	09:15-09:45	Dietary Prescription for patients on PD <b>Jie Dong</b>
09:45-10:00	Oral Abstract Presentation	09:45-10:00	Oral Abstract Presentation	09:45-10:15	Optimizing Sodium balance in patients on PD <b>Jernej Pajek</b>
10:00-10:30	New insights into aquaporin biology for PD <b>Johann Morelle</b>	10:00-10:30	Alternative PD solutions: Current contenders and future prospects <b>Isaac Teitelbaum</b>	10:15-10:45	Nutritional Interventions for Protein Energy Wasting <b>Scott Liebman</b>
10:30-10:45	Oral Abstract Presentation	10:30-10:45	Oral Abstract Presentation		
		10:45-11:05	<b>Scientific Lecture</b> In separate room		

11:05-11:15

11:15-12:15	<b>Debate: Glucose in PD: Friend or Foe</b> C 4	11:15-12:15	<b>Supporting the Patient on PD</b> C 5	11:15-12:15	<b>Training the Patient for PD</b> C 6
11:15-11:35	Glucose is a friend in PD <b>Angela Wang</b>	11:15-11:35	Care-giver support: Burnout <b>Mohamed Hasan</b>	11:15-11:35	Best practices in training (TEACH PD trial) <b>Josephine Chow</b>
11:35-11:55	Glucose is a foe in PD <b>Jeffrey Perl</b>	11:35-11:55	Management of Depression and anxiety in PD <b>Frederic Finkelstein</b>	11:35-11:55	When and how to retrain? <b>Piyatida Cheungsaman</b>
11:55-12:15	Steady-concentration Glucose PD <b>Martin Wilkie</b>	11:55-12:15	Innovated solutions to support patient on PD <b>Arsh Jain</b>	11:55-12:15	Role of home visits in PD <b>Elaine Bowes</b>

12:15-12:25

President-Elect address and closing

12:25-12:35

Handover to ISPD2026 Cape Town Team

12:35-12:45

**Concluding Remarks and Adjournment**
